Volunteer Help For Work Days & Matches

The weekend before our Spring 2700 Match we will be performing our annual cleanup and maintenance on the range buildings, April 18 & 19, 2016, starting at 9:00 AM. It would be nice to see more than the usual 5 faces that have been showing up the last several years. After all it is your club and most of the work crew is over 65.

Helping at our matches would be another way to contribute some time to the club. Funding for our expenses is assisted by the matches & leagues we have. This contributes to the reason there has not been a dues increase for as long as it has. How much time would you have to spend helping at a match? There are 5 separate work areas.

1. Setting up the range for the match, about 1 hour
2. Running the 22 Match, about 2 hours
3. Running the CF Match, about 2 hours
4. Running the 45 Match, about 2 hours
5. Cleaning up and putting things in order at the end of the match, about 45 minutes.

So you see, 2 hours of your time once or twice a year would help out greatly and you may get the bug to participate in the matches.

Hope to see many of you at the banquet this year or at the range.

Have a safe and happy remainder of the year.
